## PROSPECTUS 2025–2026

### The Legacy Behind the Vision

Founded in 2012, Don Bosco College (DBCY), Yelagiri Hills is a self-financed, co-educational minority institution of higher learning, managed by the globally renowned ***Salesians of Don Bosco***. Affiliated to *Thiruvalluvar University*, and accredited with an 'A' Grade by the National Assessment and Accreditation Council (NAAC) in its first cycle, the college stands as a beacon of accessible, value-based, and employability-driven education in rural Tamil Nadu.

Don Bosco College is a natural evolution of Bosco Institute of Information Technology (BIIT), a professional training center that transformed the lives of hundreds of underprivileged youth between 1998 and 2012. BIIT had an outstanding track record in delivering quality computer education and enabling employment in the IT industry. The institution was born out of the visionary zeal of **Rev. Fr. Francis Guezou**, whose mission was to provide world-class education to the poorest of the poor, especially those who would otherwise remain excluded from higher education.

### The Purpose – A College with a Difference

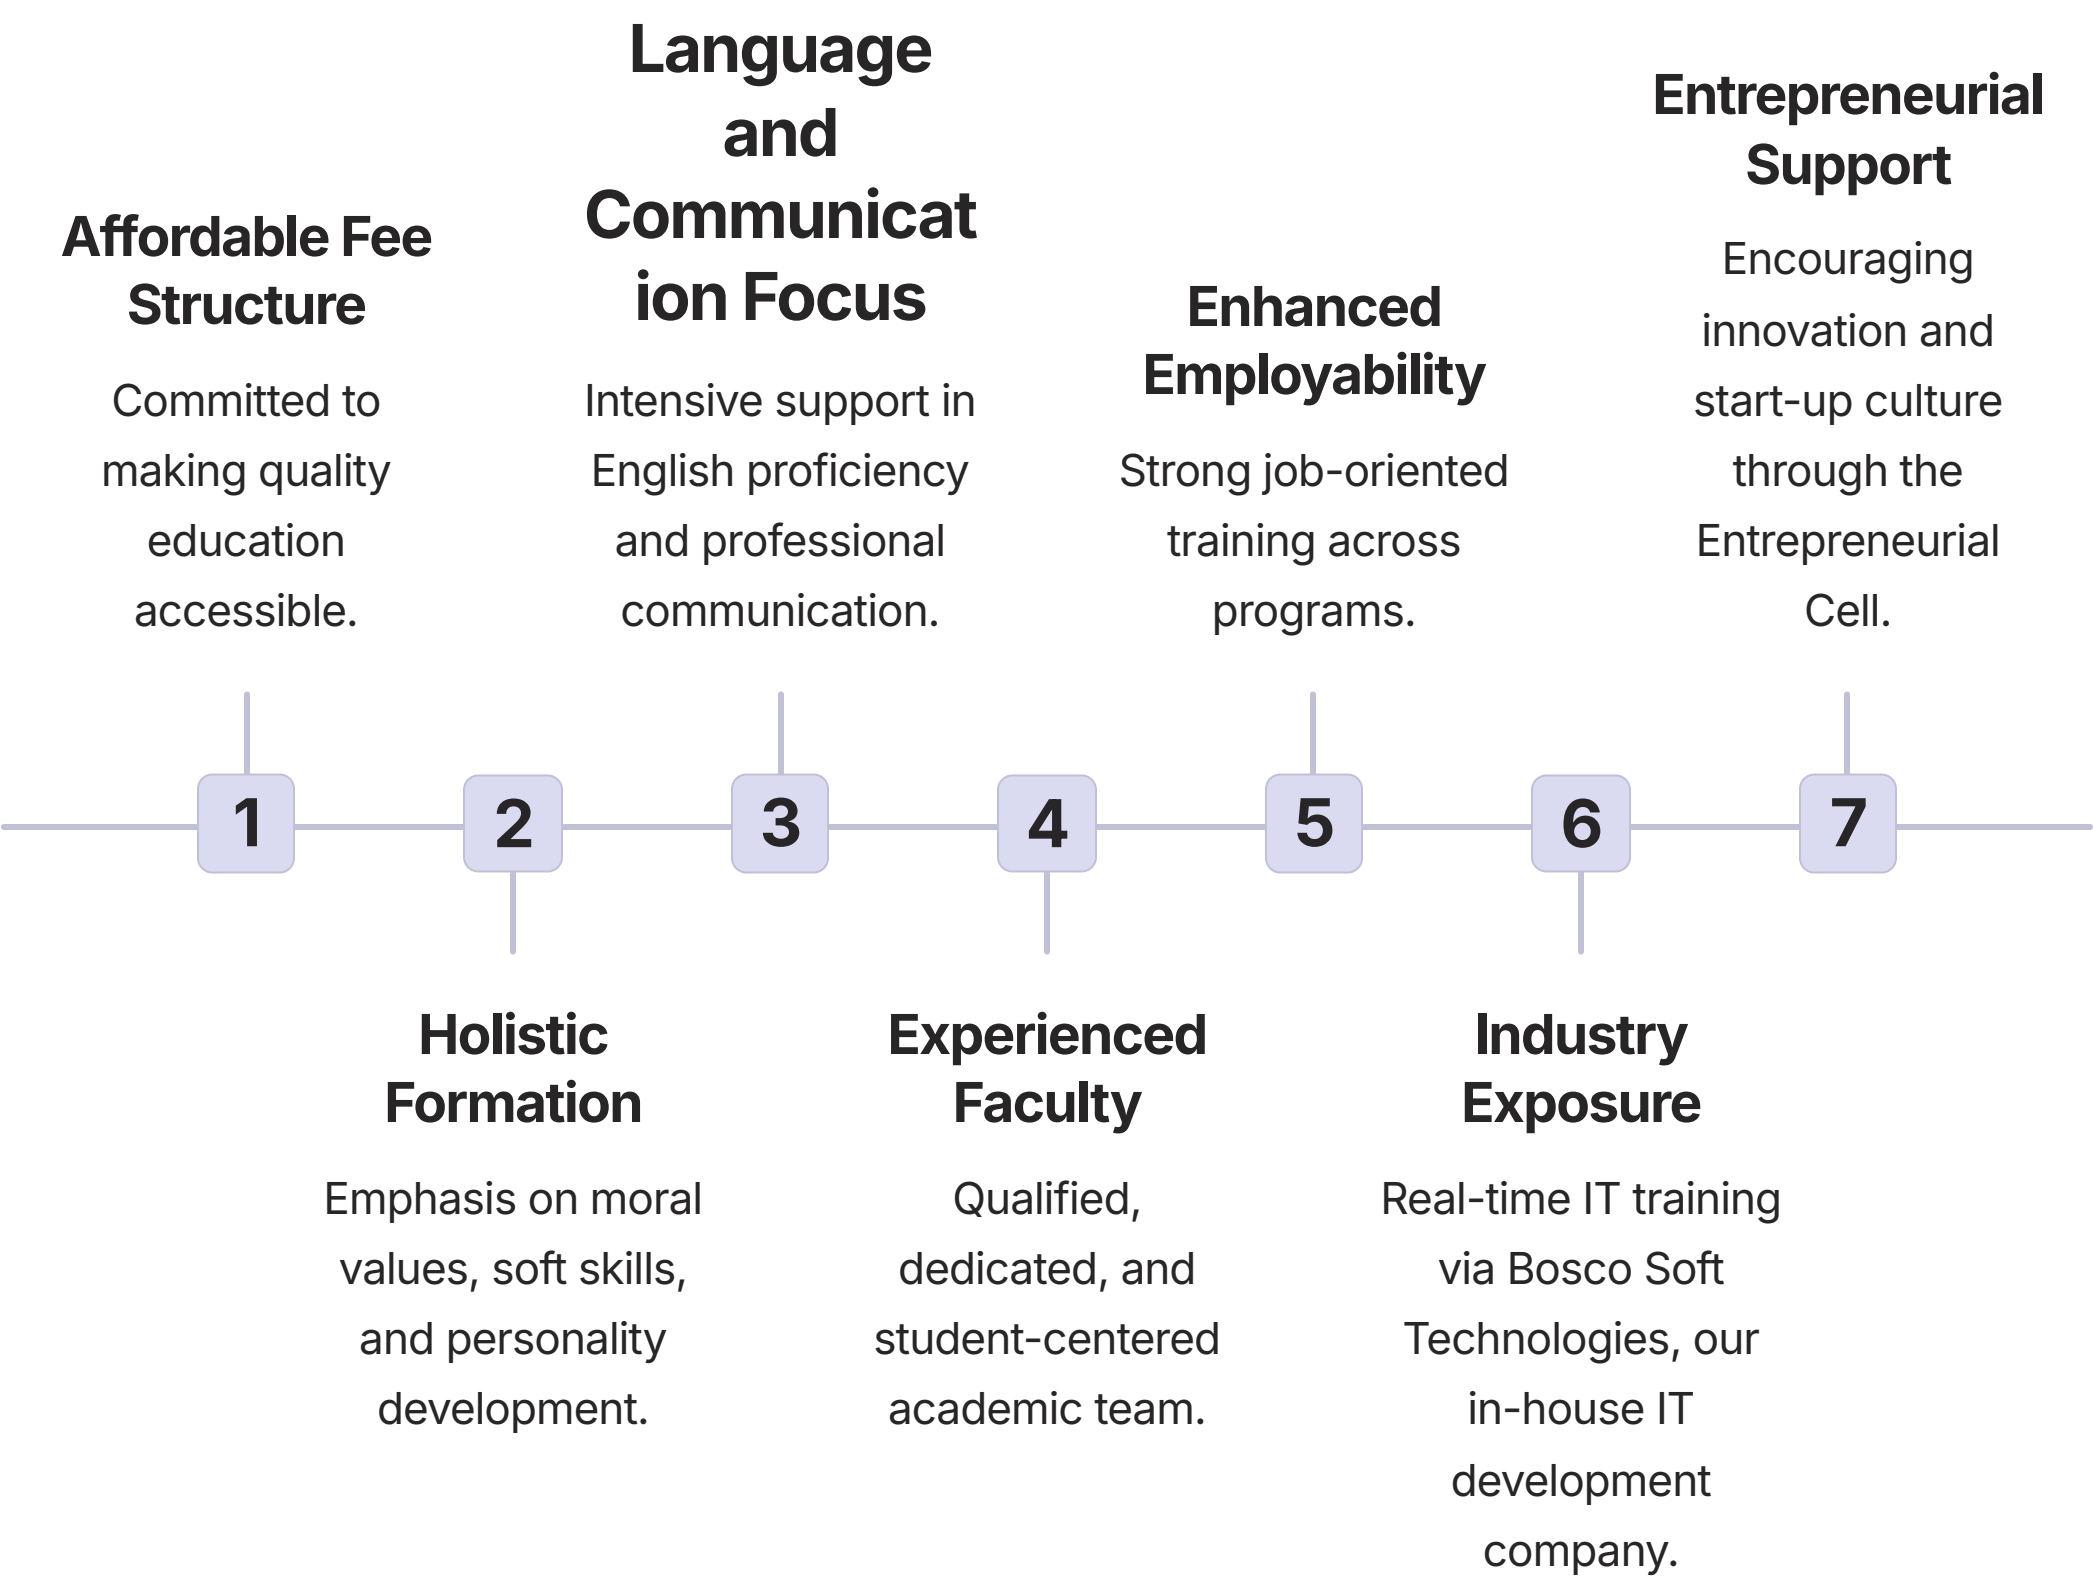

Don Bosco College continues this legacy as a “College with a Difference”, offering industry-relevant undergraduate and postgraduate programmes focused on employability, skill development, and the holistic formation of youth. Nestled in the serene and inspiring environment of Yelagiri Hills, the campus provides a transformative space for academic pursuit, personal growth, and professional readiness.

Our mission is not merely to educate, but to form responsible, skilled, and compassionate citizens ready to contribute meaningfully to society.
